ECCELERATION™

Traffic Builders' affordable proprietary e-mail marketing solutions.

Our Ecceleration™ e-mail program is an excellent addition to any marketing program. It is a cost-effective and targeted approach to maintaining your reach to the computer-savvy audience. Ecceleration™ has the versatility to be used in conjunction with direct mail or as a quick way to get the word out about a service opportunity.

Ecceleration™ Basic

UNIQUE VALUE

Ecceleration™ Basic enhances your direct mail marketing program. An electronic version of your direct mail piece is sent to e-mail addresses in your database. It serves as reinforcement to the mailer by increasing awareness and response for your service promotion.

BENEFITS

- Serves as a second chance for a mailer to make an impact
- Interacts with your direct mail campaign to continue the custom look of your dealership and your brand
- Timed to reach homes to boost mid-month repair order traffic and remind customers that the mailer will soon be expiring
- Includes a link to your website to allow customers to conveniently schedule service appointments
- While on your website, customers may browse for additional information about your dealership and service department
- Opt-in and opt-out choices help target your customers to reach only those genuinely interested in receiving your offers
- E-mail messages are quickly delivered to your target customers, with no additional work for you
